

## Mission

The *j. camille cultural academy* is an arts and education program that reaches out to adults striving to enrich their lives through writing for children; families with college bound students who want to advance their scholastic standings, academic competitiveness, and chances to obtain selective scholarships for admittance to the tier top colleges / universities; and create audience participation as Kentucky/Indiana history is brought to life with readings and drama.

## Vision

The *j. camille cultural academy* enhances the voices of women and children, while linking cultures around the world through art, education, and interpretive programs.

## Values

The *j. camille cultural academy* is designed to promote Excellence in knowledge, Dignity in understanding, and Common good in the universality of arts and education.
